### Mayor's Message

*by Mayor Clark A. Wilkinson*

Dear Residents:

We have had an exciting time at the city since the last newsletter. We have discussed quite extensively the upcoming projects within our city. The following is a brief list of some of those projects:

- Community Park Expansion Project – Phase 2 finally completed (started last year), which includes expansion of the parking lot on the west end, extension of the pathway and construction of an underground storage and pumping system to irrigate the entire Community Park (not just the expansion area) with groundwater. Phase 3, this is the landscaping phase and new pavilion, began this year and will be finished soon. Grass should be ready to play on next spring. Total investment in this expansion—including purchase of expansion acreage about 10 years ago—is about \$2.5 million.
- Streets maintenance/improvement – about \$2.6 million being spent this calendar year for pavement preservation and road improvements--\$1.5 million in City funds and \$1.1 million in grant funds. The scope of work includes: crack seal, slurry seal, asphalt overlays; widening of 1250 West connecting Centerville and West Bountiful; and widening (in places), overlaying and restriping the Frontage Road with bike lanes from McDonalds to Lund Lane.
- Sidewalk repairs – a more aggressive program of grinding sidewalk faults was begun last year and will continue for the next several years.
- Replacement of more storm drains and water lines on Main Street are anticipated later this year in advance of UDOT resurfacing the road next spring.
- Master planning the use of 180 City-owned acres on the foothills for recreation purposes.
- Update of the City's Parks Master Plan

In addition to these projects our committees have been hard at work performing many great projects for the city. Within our city we have the Planning Commission, Landmarks Commission, Parks and Recreation Committee, Trails Committee, Whitaker Museum Board, Community Foundation Board, and the Board of Adjustment. Stay tuned for a new committee that we are working on to help support the wellness of our citizens. I welcome any help on any of these committees. Contact me at 801-295-3477 or at [mayor@centerville.com](mailto:mayor@centerville.com).

Lastly, are you ready for a party! The Fourth of July committee has been diligently working on the festivities in our city on July 3rd and 4th. I can't thank everyone enough who is engaged in this undertaking. We expect all of you to come ready to have a great time as we celebrate the independence of this great nation. Put on your party hats, bring your families, and come ready to dance. It will be fantastic!

Thank you for the opportunity to serve with you. I truly value and welcome your input. I have had wonderful sit-down meetings in the Mayor's office with residents. What wonderful residents we have!

Sincerely,  
Clark A. Wilkinson, Mayor

## New Website!

*Recently, centervilleut.net went through a major overhaul. The new and improved site is easier to navigate, and has all the essentials on the main page. Come! Take a look around!*

## Do You Recycle?

Every other week in Centerville, our recycling bins are collected. Here is some helpful information to help you make the most of it:

- \* Plastic bags, foam, and glass are NOT permitted
- \* Aluminum and steel cans ARE permitted
- \* Paper, cardboard, plastic bottles and containers ARE permitted
- \* All items must be free of food and liquids
- \* Find the full pickup calendar at centervilleut.net

Questions can be directed to AceDisposal.com or 801-363-9995

**INTERNATIONAL PERFORMANCES**

**ART & ETHNIC FOOD**

**INTERACTIVE DEMOS**

**CHILDREN'S ART YARD**

**MORE INFO OR TO VOLUNTEER:**  
**SUMMERFEST18.COM**

## Pay Your Sewer Bill Electronically

For the convenience of our customers, the South Davis Sewer District has two options to pay the semi-annual billing in January and July.

**ACH Direct Payment:** This option automatically withdraws the semi-annual payment from the customers checking account. The customer can receive an email statement and/or a paper bill. These notices will include a reminder that an ACH payment will be processed.

**Bank Bill Pay:** Most banks offer this service. The bank will send the payment to the District. If this option is utilized, be sure to include the -00 or 00 on the end of your District account number so your account can be found electronically. The District account number stays with the property and is not transferred if a customer moves to a different location within the District. If a customer moves the District account number will need to be changed.

The South Davis Sewer District does not accept debit or credit cards.

### New Rate Schedule

**Residential Accounts:** \$10.00 per month, billed semi-annually

**Trailers/Mobile Homes:** \$8.00 per month, billed semi-annually

**Business/Commercial/Industrial Users:** \$10.00 per month per EDU, billed semi-annually

**Inspection Fee:** \$60.00 per building sewer/lateral.

For more information please contact the District Office during regular business hours Monday-Friday, 8:00 a.m. - 4:30 p.m. or visit our website at: [www.sdsd.us](http://www.sdsd.us).

## Thank You, Volunteers!

We'd like to thank the following people for their service and help in building community:

**The Centerville Community Foundation**, and all those who helped put up yard signs, flags, banners, and ribbons for Police Appreciation Week. Thank you, also, to the **Centerville Police Department** for all their hard work.

**The Simpson Family** for their donation making the wood carvings at Community Park possible.

**Bob Brown**, family and friends for placing a US flag by each veteran's grave on Memorial Day. If you know of a veteran that isn't on his list, please contact Bob.

**Chad Salmon & Salmon Electric** for the installation of the Whitaker Museum parking lot lights.

**The Parks & Recreation committee volunteers** who helped the City get a \$650,000 grant to rebuild the bottom two levels of Island View Park, as well as coordinating efforts with Utah State University to create a Parks Master Plan.

**The Trails Committee volunteers** for their diligent work in creating a comprehensive hillside use plan.

**The Centerville-Farmington Rotary Club** for planting flowers and maintaining the Veterans Memorial at Freedom Hills Park.

**Christi Majors and Debbie Randall** and all who volunteered to make the Elizabeth Victorian Tea at the Whitaker a success.

## Looking to Plant a Tree?

*Here's some information you should know ...*

Centerville City is a beautiful community, and trees are a big part of that. There are a few City Codes that deal with the planting and maintenance of trees.

1) If you want to plant a tree in the parkstrip (that space of land between the curb and the sidewalk), you need a permit from the Public Works Director. Your permit application needs to include your name and address, a site plan indicating where you want to plant your tree, the species and number of trees, and evidence of compliance with City Code 11.02.060 (which talks about distance between trees, and size of parkstrip). City Code can be found at [centerville.municipalcodeonline.com](http://centerville.municipalcodeonline.com).

2) You need to maintain your parkstrip trees. Trees must be pruned so that no branches are lower than 8 feet above the sidewalk, or 13 feet above the street. Trees at corners, or near public safety signs, cannot block the view of drivers.

3) Failure to obtain a permit or to maintain existing trees may result in the removal of the offending tree at the owner's expense.

## Centerville Calendar
